

Covenant Core Apostolic Center™

Kingdom Human Restoration & Workforce Innovation Institute™

Texas' First Kingdom-Based Human Restoration Ecosystem

Institutional Positioning

The Kingdom Human Restoration & Workforce Innovation Institute™ is a faith-centered social innovation institution designed to restore individuals, strengthen families, develop workforce talent, and create economic mobility through the integration of spiritual formation, education, technology, entrepreneurship, and community transformation.

The Institute operates at the intersection of:

- Government social impact priorities
- Corporate workforce development needs
- Community restoration
- Faith-based transformation
- Economic empowerment

It is not a shelter.

It is not only a ministry.

It is a **human transformation and workforce development ecosystem.**

I. The Mission

Mission Statement

To restore human potential by transforming individuals from crisis to purpose through faith, education, workforce development, entrepreneurship, and leadership preparation, creating healthier people, stronger families, and economically productive communities.

II. The Problem Texas Needs Solved

Texas is experiencing:

Workforce Challenges

- Employers need skilled workers
- Technology is changing jobs
- Many people lack career pathways

Community Challenges

- Homelessness
- Addiction
- Mental health crises
